

E-Sign Consent for Execution and Delivery of Electronic Documents

(Personal Financial Statement, Marketing, National Real Estate, Card Account, Loan Account, Deposit Account, Digital Banking)

This E-Sign Consent for Execution and Delivery of Electronic Documents ("Consent") applies to all electronic records for Personal Financial Statement ("PFS"), marketing, national real estate and disclosures, agreements or applications for deposit, lending, card, sweep, deposit placement and digital banking products and services (each a "Service" and collectively the "Services"). Specifically, if you would like to get or give a PFS, participate in a marketing event or promotion, refer a loan or apply for a loan through our national real estate group, and/or obtain one or more Services by electronic means, then we first need to obtain your consent. More specifically, we need to obtain your consent in order: (i) for you to provide either or both your electronic agreement or signature to one or more electronic agreements; and (ii) for us to deliver information to you in electronic rather than in paper form.

If you would like to provide your consent, then please read through this Consent and check the applicable check box indicating consent to this Consent. By consenting, you are agreeing and acknowledging: (i) to the terms and conditions of this Consent; (ii) that electronic execution and/or delivery, electronic communications, and electronic records shall have the same effect and authority as if hand signed by you and/or delivered in paper; and (iii) that electronic signatures shall have the same effect and authority as those hand-signed by the named signer.

Also, by providing your consent to this Consent, you confirm, represent and warrant to us that you have: (i) the system requirements described below; (ii) verified your hardware and software meets our system requirements; and (iii) the ability to access, view and print or electronically save (including taking screenshots) electronically executed and/or delivered Electronic Documents, which may include the format of HTML or PDF.

If you do not want to provide your consent, then do not check the applicable check box indicating consent to this Consent. However, if you would like to still get or give a PFS, participate in a marketing event or promotion, refer a loan or apply for a loan through our national real estate group, and/or obtain one or more Services but through non-electronic means, then contact us in the applicable manner as set forth below under the heading, "Requesting Paper Copies."

Please Note: The consequences of not agreeing to this Consent and proceeding with paper delivery and execution of the applicable documents will be that transactions may take a longer time to process. Also, if you are a commercial card customer, then you will be required to execute an amendment to the Commercial Card Master Agreement.

Definitions. For purposes of this Consent, the following terms shall have the meanings set forth below:

"Bank," "we," "our" and other similar terms refers to Zions Bancorporation, N.A., including any Division.

"Division" refers to any one of the following divisions with trade names that the Bank operates through: (i) Amegy Bank; (ii) California Bank & Trust; (iii) The Commerce Bank of Oregon ("CBO"); (iv) The Commerce Bank of Washington ("CBW"); (v) National Bank of Arizona; (vi) Nevada State Bank; (vii) Vectra Bank Colorado; and (viii) Zions Bank.

"DocuSign" refers to the Bank's third-party service provider, DocuSign Inc., who provides a platform

for the Bank to deliver Electronic Documents to you and for you to provide your electronic signature on Electronic Documents through the DocuSign® electronic signature system.

“eDocuments Account” means a deposit account, loan account or other account at the Bank which you have enrolled in one of more of the following: the eStatements service, the eNotices service, and/or the eTax Documents service.

“eDocument Communications” can be any periodic statement, notice, disclosure, agreement, fee schedule, transaction or event record, invoice, response to claim or other communication (collectively “information”) regarding your enrolled eDocuments Account that the Bank chooses to provide by eStatement or eNotice instead of paper. “eDocument Communication” also includes eTax Documents that we make available for eligible eDocument Accounts. An eDocument Communication is viewed by logging into online banking or mobile banking. eDocument Communications may contain information that the Bank is required by law to give you, or information that the Bank chooses to give you.

“eNotice” means any eDocument Communication that is not an eStatement or eTax Documents. (Please note that “eNotice” includes any statement of transactions or balances in a loan account and is deemed an “e-Notice” rather than an “eStatement.”)

“eStatement” means an electronic version of the paper periodic statement of debits, credits and balances that the Bank mails to you for a deposit account that is not enrolled in the eStatements service. “eStatement” also includes notices, disclosures and other information that would be printed on the paper periodic statement or enclosed with a mailed paper periodic statement.

“eTax Document” means any IRS tax reporting form that the Bank makes available for electronic delivery for an eligible eDocuments Account. The Bank may from time to time, in its discretion, add or delete which IRS forms are included as eTax Documents in the Service.

“Electronic Documents” refers to any information that we give in electronic form pursuant to this Consent, and as described below under the heading entitled, “Scope.” For example, this Consent is an “Electronic Document.” Also, “Electronic Documents” include any communication that you give us in connection with an Electronic Document. For example, if you file a claim, which we may require to be in written form rather than in electronic form, that your deposit account statement reflects an unauthorized electronic funds transfer from your deposit account, and you then send us an electronic email response in connection with that claim, the email you sent is an “Electronic Document.”

“Mobile Device” refers to any portable computing device that meets the system requirements set forth in this Consent, such as a smartphone or tablet. For purposes of mobile banking, “Mobile Device” means a cellular telephone, tablet or similar wireless communication device: (i) that is installed with mobile banking software that is permitted by us; or (ii) that can conduct mobile banking transactions by using other protocols we may choose to permit (e.g., Wireless Application Protocol (WAP) or text (SMS) messaging).

“you,” “your” and other similar terms refers to the person, in both his or her individual capacity and agency capacity, if applicable, giving consent to this Consent, and also each additional account owner or authorized principal of the business, Authorized Agent, Authorized Representative, Authorized User,

user who has been granted Access Credentials, and user identified on any Bank product you enroll or apply for, use or access that is subject to an agreement or disclosure described in this Consent.
